## We are a registered NDIS provider

### Clarence Care+Support is

an independent and not-for-profit organisation that enables individuals and families to achieve a lifestyle of their choice.

We have been helping people in the Clarence Valley and throughout northern New South Wales since 1994. We know our area, our people and our services.

By visiting you at home and remaining in contact with you every step of the way, our highly qualified staff become welcome contributors to your health and wellbeing.

### We can offer you:

- Coordination and management of services
- Behaviour support
- Development of daily living and life skills
- Assistance with household tasks
- Assistance with daily personal activities
- Participation support in the community through social activities
- Management of funds in each individual's support plan
- Community nursing care
- Group/centre activities

**You may wish to purchase your services privately or through the NDIS program. Contact our Intake team to discuss further**
